

Introduction

The <u>Broadband for Education (BB4E) Team</u> encourages Public Schools and Libraries to use this report and related resources when planning broadband upgrades or service renewals this year. The following information is intended to help you:

- \precsim Identify and contact local Internet Service Providers (ISPs) to request quotes
- $m \dot{\simeq}~$ Use price transparency when planning an upgrade and preparing for price negotiations
- ☆ Utilize <u>BB4E online resources</u> via hyperlinks
 - Query the NM Broadband Map for newly reported ISP and other data (<u>https://nmbbmapping.org/mapping/</u>)
 - Request a free Mini-Quote System account for the E-rate competitive bidding process (<u>http://www.broadband4education.nm.gov/request-mini-quote-account.aspx</u>)
 - Download this report for one or more District locations (<u>http://www.broadband4education.nm.gov/broadband-info-sheets.aspx</u>)
 - View E-rate Category 1 SPA guidelines to add or change new or existing eligible service locations (<u>http://www.broadband4education.nm.gov/statewide-price-agreements-for-internet-access-services.aspx</u>)
 - Review how State Master Contracts, also known as SPAs, work (<u>http://usac.org/sl/applicants/step02/state-master-contracts.aspx</u>)
 - View E-rate Category 2 SPA guidelines
 (<u>http://www.broadband4education.nm.gov/state-price-agreements-for-cat2-purchases.aspx</u>)
- Assess whether or not your educational facility is digital learning ready (<u>https://futureready.org/</u>)

E-rate Category 1 (Internet Access Service) State Price Agreement (SPA) Options

Below you will find the original *monthly quotes* for Internet access services by hub location (*not to exceed amounts*) under RFP # 70-000-16-00013 for Educational Institutions and Libraries. This master contract is associated with E-rate *State Form 470 # 170046897*. If you notice an error, wish to request a quote, and/or need to add or change a service location, <u>please contact the awarded Provider directly</u>.

Quote Type Definitions

- **ON-NET:** The Primary Contractor will be proposing a direct connection to On-Net Internet Access Services, which is *in the Primary Contractor's service area*. This excludes any fiber construction services and/or special construction.
- ****OFF-NET:** The Primary Contractor will be proposing a direction connection to Off-Net Internet Access Services, which is *outside of the Primary Contractor's service area*. This may include fiber construction services and/or special construction, and to meet the applicant's need, this may include the Offeror partnering with other providers.
