

2018 Broadband Information Sheet (BBIS)

Pueblo of San Felipe Community Library

Introduction

The <u>Broadband for Education (BB4E) Team</u> encourages Public Schools and Libraries to use this report and related resources when planning broadband upgrades or service renewals this year. The following information is intended to help you:

- Consider Statewide Price Agreement (SPA) options designed for the competitive mini-quote process
- ☆ Identify and contact local Internet Service Providers (ISPs) to request quotes
- Use price transparency when planning an upgrade and preparing for price negotiations
- ☆ Utilize BB4E online resources via hyperlinks
 - Query the NM Broadband Map for newly reported ISP and other data (https://nmbbmapping.org/mapping/)
 - Request a free Mini-Quote System account for the E-rate competitive bidding process (http://www.broadband4education.nm.gov/request-mini-quote-account.aspx)
 - Download this report for one or more District locations (http://www.broadband4education.nm.gov/broadband-info-sheets.aspx)
 - View E-rate Category 1 SPA guidelines to add or change new or existing eligible service locations (http://www.broadband4education.nm.gov/statewide-price-agreements-for-internet-access-services.aspx)
 - Review how State Master Contracts, also known as SPAs, work (http://usac.org/sl/applicants/step02/state-master-contracts.aspx)
 - o View E-rate Category 2 SPA guidelines (http://www.broadband4education.nm.gov/state-price-agreements-for-cat2-purchases.aspx)
- Assess whether or not your educational facility is digital learning ready (https://futureready.org/)

E-rate Category 1 (Internet Access Service) State Price Agreement (SPA) Options

Below you will find the original *monthly quotes* for Internet access services by hub location (*not to exceed amounts*) under RFP # 70-000-16-00013 for Educational Institutions and Libraries. This master contract is associated with E-rate State Form 470 # 170046897. If you notice an error, wish to request a quote, and/or need to add or change a service location, please contact the awarded Provider directly.

Quote Type Definitions

ON-NET:

The Primary Contractor will be proposing a direct connection to On-Net Internet Access Services, which is *in the Primary Contractor's service area*. This excludes any fiber construction services and/or special construction.

**OFF-NET:

The Primary Contractor will be proposing a direction connection to Off-Net Internet Access Services, which is *outside of the Primary Contractor's service area*. This may include fiber construction services and/or special construction, and to meet the applicant's need, this may include the Offeror partnering with other providers.

2017 E-rate Costs by School District

Your District's monthly cost per 100 Mbps: \$195

2017 Bandwidth per Month by School District

Your District is paying for this amount of bandwidth per month: 1 Gbps

2017 District Bandwidth per Student

318.2 kbps

2017 District Technology Type

Fiber and Other Copperwire

Internet Service Providers (ISPs) in Your Area

** A double asterisk below represents ISPs with an *active New Mexico Statewide Price Agreement (SPA)* for Internet access services. You may have an option to be added to one or more of these agreements which are intended to help control costs. *Please do not hesitate to contact any or all of these Providers for a quote.*
