Introduction

The [Broadband for Education (BB4E) Team](#) encourages Public Schools and Libraries to use this report and related resources when planning broadband upgrades or service renewals this year. The following information is intended to help you:

☆   Consider Statewide Price Agreement (SPA) options designed for the competitive mini-quote process

☆   Identify and contact local Internet Service Providers (ISPs) to request quotes

☆   Use price transparency when planning an upgrade and preparing for price negotiations

☆   Utilize [BB4E online resources](#) via hyperlinks

   o   Query the NM Broadband Map for newly reported ISP and other data
       (https://nmbbmapping.org/mapping/)

   o   Request a free Mini-Quote System account for the E-rate competitive bidding process
       (http://www.broadband4education.nm.gov/request-mini-quote-account.aspx)

   o   Download this report for one or more District locations
       (http://www.broadband4education.nm.gov/broadband-info-sheets.aspx)

   o   View E-rate Category 1 SPA guidelines to add or change new or existing eligible service locations
       (http://www.broadband4education.nm.gov/statewide-price-agreements-for-internet-access-services.aspx)

   o   Review how State Master Contracts, also known as SPAs, work
       (http://usac.org/sl/applicants/step02/state-master-contracts.aspx)

   o   View E-rate Category 2 SPA guidelines
